

## Anitra Miles

August 16, 1975 - June 15, 2015

Anitra Renee Miles aka Twink, was born on August 16, 1975 to Marshall Miles and Belinda J. Dacus. She received her formal education through the Oakland, California public school district, (Parker Elementary, King Estates and Bret Harte Middles Schools, Castlemont and East Side High Schools.

She began her journey with motherhood on November 10, 1992 and though many people counted her out by becoming a teenage mother, she never let that stop her from being the greatest mother any child could ever ask for. In addition to her children, she was a mother and caregiver for many other children through her lifetime. Her biggest goal was to give her children the best life possible and to make sure that they succeed in all their endeavors. A mystery to most on how she made things happen, she credited God as being the sole reason on helping her provide for her family.

She was preceded in death by her great grandmother, Rose L. Mayfield, god-daughter, Crystal Lewis, grandfather, Harold G. Dacus, Sr. and cousin Rickey Howard.
