“ *I love and miss my big sister Carmen with all my heart. Her cooking was the best. I thank my sister for always having my back. It will be hard living in a world without my Carma. I take comfort in knowing that you are not sad anymore. You are with Mitty and Turio. I will see your beautiful face again one sweet day when i leave this earth.*

Carmen always told us stories about her family, we honestly felt like part of her family. We all loved and adored Carmen. She was a fairy God Mama to the girls. My daughter loved her so much and will always treasure the times she had with her. My favorite memory of Carmen was me looking for a bag of kisses I had previously bought and I asked her where they were and she told me "oh I ate them". Her and her sweet tooth!! I like to believe she is watching over all of us. She was a treasure. We will always miss her and are so very grateful she was brought into our lives, thank you for sharing her with us. Sincerely, Kena Ree
