“ *Cleveland was a delightful classmate. Even though I haven't seen him since high school, I will always remember how nice and respectful he was. I know his sisters will miss him dearly. May God Bless you and your family.*

“ I worked with Cleveland at the Benefit Center and I never met a more upbeat kind man. Cleveland was wonderful at his job but his loving spirit shone through everything. Cleveland and I came to know that we had something else in common. Cleveland's sister Marianne Etter and I used to work together at the Bond St office and became great friends. Through Cleveland I am once again connected to Marianne. Such a sorrowful time for the family that loved him so much. My thoughts and prayers are with you all.

I met Cleveland in 1998 in Hayward. We shared many joyful and sad memories over the years. We always talked about how people should love one another, share kindness. My prayers and thoughts to his family. He will truly be missed. Cleveland from me to you, “ Aloha Kekahi i Kekahi” Mikki

I went to High School with Cleaveland. He was such a nice guy. He was always nice to me..He loved teasing me. I haven't seen him in years. He was too young to die. RIP my special friend. My prayers and thoughts to his family.

So sorry to hear of Cleveland's passing. He was a nice, fun and happy guy. I remember dancing with him in the cafeteria at Weed Elementary School. Can't believe he was living in the Bay Area. I lived and worked there for years and years and retired in July 2016 after working with a firm in San Francisco for 10 years. So close and I didn't even know he was in the area. My thoughts and prayers to his family.

I miss my daddy a lot. I need to ask him something very important. And all I could do was to go to my knees. Miss you daddy. You always told me what the right thing to do.
