“ My heartfelt condolences are for Jeannie, Freddie’s wife, who he loved unconditionally from the bottom of his heart. He always spoke lovingly and fondly of her. My sympathies are also for TT and the rest of Freddie’s family whom he dearly loved. Freddie and my brother Byron were good friends for decades. In past years they used to “ride together” everyday through the streets of Oakland often stopping by my place. Byron left us June 18, 2024. I hadn’t seen Freddie for a few years but was so happy to see him at Byron’s memorial last July. I knew that Freddie was sick and after a week of exchanging texts and voicemails we finally spoke. I called him on my way home from work the Friday before he passed and promised to come see him that Thursday but received the sad news on Saturday that Freddie had passed. I am so grateful that he was able to answer when I called! Rest in Peace Staff Sgt. Freddie Dyer. 🙏 I miss you! Love, Roz
