“ My Aunt Grace would call /ask me to find Bishop Finley Church in Utah; find Bishop J. Drew Sheard's phone number " Wilfred I need to tell him what God told me."

Aunt Grace was a dedicated, loving, humbled personality. Her Daughter 'Pinky' was her rock (❤️ her to the moon/back)/Aunt Grace's siblings too.

She lived what she believed/taught "Holiness is right I don't care what anyone says."

100 yrs of life is journey she walked each day of her life... Grace Howard Hammond
