“ *It's been a year since you went home to ne with the Lord. So much to say, but few words can express how much I miss you. I will continue to make you proud. I love you for life.*

“ *Mommy*  
*I love and miss you so much. This is so hard right now and some people think that when you show strength, that you can handle the loss. Yes mommy with the, Lord's help we can make it through, but getting through is hard. I have never felt a pain like this in my life. I know you prepared us spiritually by instilling the knowledge of God and who he is to you and what He stands for for us. Thank you for your love.*

“ Mommy I want you to know I'm at peace. God's got me. I've never felt this way before so I know it's God's peace. Your soul is with Jesus & your earthly remains have been interred in their final resting place. Mom this peace is so amazing I can't even begin to describe it. Thank you Mommy for raising me in His way, the Only way! Train up a child in the way he should go: and when he is old, he will not depart from it.  
Proverbs 22:6  
She speaks with wisdom, and faithful instruction is on her tongue.  
Proverbs 31:26  
Mommy this is you now & forever more.

“ I give honer and praise to my Big Sister whom I had the pleasure of having in my life for 32 years. I will cherish each and every moment that I spent with her. I cannot thank the Lord enough for blessing me with her. We shared almost every thing we were blessed with including our children. I will always have a place in my heart for her. Love forever until we meet again.

“ Mommy.  
I miss you so much. Even though I have teats in my eyes and pain in my heart. You have taught me so much about the Lord, that I know where my help and strength will come from. Right now it's Christmas Day and the pain is so intense. I always dreaded this day in my heart and mind, because I knew how painful you absence in would be. I would say "Mommy if you leave this earth I will be dead too." You're reply "No Christy. You will be strong and the Lord will help you." We'll you were right as usual. I can honestly say I have strength and peace that surpasses all understanding. I also have pain in my heart and the grief is overwhelming right now. I will remember all pearls of wisdom you gave me and share them with my children and grandchildren child/ children. They will know how wonderful and God fearing you are. I love you so much.....
