“ *To Mamies family I have known Mamie for about 18 or 19 years she was the most kind loving goodhearted person you would ever want to meet never said no always willing to help I'm going to truly miss her. when Mamie became ill she never complain she never wanted you to do much for her she always said she was fine I got to the point where I had to just really get down on her to do things for her she was so independent doing things for herself And her husband Michael near the end she started to let me and my son do more for her we loved her we didn't mine it's hard to say goodbye to my friend.love Willie Hatten and family* 💕💕💕💕
