My Dear Cousin Mildred, knowing that you have moved on to your heavenly resting place. It gives me a sense of joy as well as sadness. I will truly miss hearing the sound of your voice over the phone. We always had a good time conversing with each other.

I will never forget the summer you and Pegues came to Los Angeles to visit. I think I was about 7 or 8 years old. You guys took your cousin Willie's four youngest children to Knotts Berry Farm. That was probably one of the best summers ever.

So, rest in peace cousin until we meet again.

Loving You Forever,

Cousin Chris Baker & Family 🍷💕🍷
